VOLUNTARY PRODUCT RECALL
Your immediate action is required.
Notification and Instructions

TS

Dear Customer:

Bedford Laboratories, a division of Ben Venue Laboratories, Inc., is voluntarily recalling the following lot of Amiodarone Hydrochloride Injection, 150mg/3mL vials.

We are conducting the recall to the wholesale level. This action needs to be undertaken immediately and we appreciate your cooperation in this matter. Vials from the lot listed below have been found to contain free floating crystals of amiodarone. Currently, Bedford Laboratories has NOT received any adverse reaction reports on this lot of Amiodarone HCl Injection.

Amiodarone HCl Injection 150mg/3mL Recall Summary:

NDC Number:	55390-057-10
Lot Number:	1156947
Expiration Date:	December 2009
First Ship Date:	January 2008
Last Ship Date:	February 2008

If you have any questions about this voluntary market recall, please call the Bedford Laboratories Customer Service Department at 800-562-4797. We regret any inconvenience and appreciate your cooperation.

Sincerely,

Molly Rapp
Director, Regulatory Affairs
Ben Venue Laboratories, Inc.
